EDUCATION

- University of California, Berkeley.** *Berkeley, CA* 2013-2020
PhD Candidate in Environmental Science, Policy and Management (ESPM)
Division: Society & Environment
Dissertation: Post-Apocalyptic Environmental Politics: Women of Color, Climate Justice and State-Corporate Crime in Louisiana
Committee: K. De Master, C. Finney, and T. Biolsi
Activities: ESPM Graduate Diversity Council, UCB Black Graduate Engineering and Science Students Association and UCB Black Graduate Students Association (*President & Secretary*)
- Spelman College.** *Atlanta, GA* 2008-2013
BA with Departmental Honors in Sociology and Anthropology, May 2013, *magna cum laude*
Minors: Environmental Science and Spanish
Thesis: Black Community Survival and Dietary Decolonization: Problematizing a New Social Movement Theory for Farmers, Vegetarians and Food Activists
Honor Societies: Phi Beta Kappa, Alpha Kappa Delta, Phi Beta Delta, Sigma Delta Pi (*President*), Alpha Lambda Delta, Ethel Waddell Githii Honors Program, National Society of Collegiate Scholars and Golden Key International Honor Society
Other Honors: Spelman 1st Year Writing Portfolios Hallmark Exemplary Writer for Hybrid Energy Systems Paper and Sociology & Anthropology Department Best Senior Thesis Award
Activities: Environmental Task Force (*President*), Gamma Sigma Sigma National Service Sorority (*Secretary & Treasurer*), Slow Food Spelman (*Chapter Founder*) and Sustainable Spelman Committee
- University of KwaZulu-Natal.** *Pietermaritzburg, South Africa* Spring 2011
Interstudy Semester Abroad
- Pontificia Universidad Católica Madre y Maestra.** *Santiago de Caballeros, Dominican Republic* Summer 2010
Language Immersion & Summer Study Abroad
- University of Malaga.** *Malaga, Spain* Summer 2009
Language Immersion & Summer Study Abroad
- Washington-Lee High School.** *Arlington, VA* 2004-2008
Valedictorian with International Baccalaureate (IB) & Advanced Diplomas

RESEARCH INTERESTS

Environmental, Climate and Food Justice; Feminist Environmentalism(s); Digital Media and Digital Activism; Community Geography; Blue-Green Infrastructure; Black Feminist and Environmental Anthropology; Gender and Climate Policy; Indigeneity; Feminist Political Ecology; Ecowomanism; Critical Ethnobotany; Mixed Methods; Community-Based Participatory Action Research; Environmental Communication; Civic Engagement and Environmental Activism

FELLOWSHIPS AND AWARDS

- Association for Feminist Anthropology Zora Neale Hurston Travel Award (\$500) 2019
Switzer Environmental Fellowship (\$15,000) 2019
UC Berkeley Graduate Division Conference Travel Grant (\$1,500) 2019
UC Berkeley Graduate Assembly Travel Award (\$300) 2019
New Orleans Center for Gulf South Monroe Fellows Research Grant (\$4,500) 2019
Bard Early College Engaged Liberal Arts and Sciences Grant (\$500) 2019
Sigma Xi Grants-in-Aid of Research Award (\$1,000) 2018
Spelman College Democratizing Knowledge Summer Institute 2018
NC State Building Future Faculty Program 2018
National Women's Studies Association Women of Color Leadership Project (WoCLP) 2018
Environmental Grantmakers Association Environmental Fellowship Program (EFP) (\$11,000) 2017
National Science Foundation Graduate Research Fellowship Program (GRFP) (\$138,000) 2014
Ford Foundation Predoctoral Fellowship (\$48,000) 2014

Emails: frobertsgregory@berkeley.edu •

frobertsgregory@tulane.edu

- State-Corporate Crime in Louisiana”
- Lecture** for NC State Interdisciplinary Studies Department. *Raleigh, NC* 2018
- “Why Climate Change and Environmental Racism Matters: Black Feminist Environmental Thought and the Fight for Gulf Coast Environmental Justice”
- Mentor** for UCB Students of Color Environmental Collective (SCEC). *Berkeley, CA* 2018-2019
- Mentored student on preparing for environmental careers, professionalizing resumes and navigating academia
- Workshop Leader** for UCB Empowering Women of Color Conference (EWOCC). *Berkeley, CA* 2016
- “Women of Color in STEM: Demystifying Science while Broadening the Scientific Community”
 - Organized, facilitated and led two workshops on how women of color can more confidently identify as scientists at 31st annual EWOCC
- Mentor** for UC Berkeley Getting into Graduate School (GiGs) Mentorship Program. *Berkeley, CA* 2015-2016
- Mentored three students on professionalizing resumes, research methods, navigating academia and career options
- Mentor** for UC Berkeley Black Graduate Student Association (BGSA). *Berkeley, CA* 2015-2016
- Mentored dozens of students on how to navigate academia, facilitated monthly meetings, planned social events and support groups, conducted survey research on the Black graduate experience, and advocated for Black graduate students by working directly with the chancellor and other university officials
- Lecture** for ESPM 117: Urban Garden Ecosystems. *Berkeley, CA* 2015
- “The Road to Hell is Paved with Good Intentions’: Strengthening Interdisciplinary Methodology, Ethics & Praxis for Urban Agriculture, Ethnobotany & Social Theory”
- Mentor & Instructor** for UCB Sponsored Projects for Undergraduates Research (SPUR). *Berkeley, CA* 2015
- Helped craft and submit IRB application, design syllabus, lead seminars, manage internship, collect data, grade journals and teach methods to undergraduate students learning urban ethnobotany
- Mentor & Instructor** for UC Berkeley Undergraduate Research Apprentice Program (URAP). *Berkeley, CA* 2015
- (See description above)
- Teacher’s Assistant** for Spelman Anthropology/Political Science Seminar on the Atlanta Beltline. *Atlanta, GA* 2010
- Led class discussions, helped organize field trips and set up AV equipment for interdisciplinary seminar co-taught by former Mayor of Atlanta Shirley Franklin and other Spelman professors

WORK EXPERIENCE

- Program Coordinator and Curriculum Developer** for Deep South Center for EJ. *New Orleans, LA* 2018-2019
- Led youth climate justice workshops at the annual HBCU Climate Change Conference; coordinated Gulf Equity Water Corps Program to develop youth climate justice leaders in the Gulf Coast region and raise youth awareness around the issues of sea level rise, flooding and community resiliency; co-developed environmental curriculum, webinar content, and “train the trainer” jeopardy; co-facilitated youth training and community presentation; prepped students for climate conference; developed and administered program evaluation; co-wrote program reports
 - Supervisor: Beverly Wright (DSCEJ) and Mary Williams (DSCEJ)
- Fellow Coordinator and Retreat Planner** for Environmental Grantmakers Association. *New York, NY* 2017
- Attended funding events, coordinated social activities and networking events for cohort in Boston, NY and CA, created and analyzed survey data on current political moment and philanthropy, sent speaker invitations, registered cohort for conference, researched best practices for diversity, equity and inclusion in environmental philanthropy and assisted with the annual fall retreat preparation and 30th anniversary journal
 - Supervisors: Joshua Cohen (EGA) and Dorceta Taylor (University of Michigan SEAS)
- Writing Tutor** for UCB African American Student Development Center Deadweek. *Berkeley, CA* 2016
- SoGreen Network Intern** for Southeastern African-American Farmers Organic Network. *Savannah, GA* 2012-2013
- Sold foodstuffs for Southern Black farmers at Slow Food Conference in Italy and built relationships between Black farmers in Georgia and POC farmers internationally
 - Supervisor: Robert Hamilton (Spelman College)
- Sustainability Intern** for Spelman College Facilities Management & Services. *Atlanta, GA* 2011-2013
- Increased campus environmental literacy, promoted recycling on campus via RecycleMania event and Homecoming Tailgate Cleanup, and organized Fundred Dollar Bill Project on campus
 - Supervisor: Art Frazier (Spelman College)

Frances Roberts-Gregory

New Orleans, LA • Phone: 919-221-5863

Emails: frobertsgregory@berkeley.edu •

frobertsgregory@tulane.edu

- Intern** for Spelman College Food Literacy Project. *Atlanta, GA* 2009-2010
- Organized a Spelman Food Literacy Film Festival, facilitated Spelman's Sophomore Assembly and presented original research at the Spelman College Cherry Blossom Festival on the "Westernization of Japanese Food vs. Japanization of Western Food"
 - Supervisor: Robert Hamilton (Spelman College)
- Intern** for Office for Surface Mining, Reclamation and Enforcement (OSMRE). *Washington, D.C.* 2009-2010
- Researched the Surface Mining Control and Reclamation Act of 1977, mountaintop mining and coal mining operations; Wrote report on reclamation and restoration techniques
 - Supervisor: Sterling Rideout (US Department of Interior)
- SELECT RESEARCH EXPERIENCE**
- Principal Investigator** for UCB Society & Environment Dissertation Research. *Gulf Coast, LA* 2017-2021
- Mixed methods research on barriers and opportunities for Gulf Coast Black and Indigenous women to lead the People's Climate Movement, shape climate policy, strategize for climate adaptation and advocate for climate justice
- Research Assistant** for NAACP "Gender and Climate Change" Research Study. *New Orleans, LA* 2017-2019
- Interview-based research to catalog and review best practices of environmental and climate justice work in the U.S. that intentionally and effectively integrates gender justice, and vice-versa; Creation of toolkit of best practices for organizations to address gender in environmental work
 - PIs: Jade Sasser (UC Riverside) and Jacqui Patterson (NAACP)
- Graduate Research Mentor** for UCB SPUR and URAP Urban Ethnobotany Internship. *Berkeley, CA* 2015
- "Mapping agro-biodiversity hotspots and cultural foods in the urban food desert: fostering community food security, biocultural diversity, and health"
 - Urban ethnobotany research on refugee gardens in the East Bay
 - PI: Jennifer Sowerwine (UCB Assistant Cooperative Extension Specialist)
- Principal Investigator** for Spelman Sociology and Anthropology Honors Senior Thesis. *Atlanta, GA* 2012-2013
- "Black Community Survival and Dietary Decolonization: Problematizing a New Social Movement Theory for Farmers, Vegetarians and Food Activists"
 - Mixed methods research to better understand the growth of a "Good Food" Movement in the U.S. Black community
 - Advisors: Jerry Wever, Bruce Wade, and Cynthia Spence (Spelman)
- Principal Investigator** for Spelman Environmental Science & Studies Independent Study. *Atlanta, GA* 2011-2012
- "The Climate Gap Reviewed: A literature review of climate change, natural disasters, vulnerability, gender, communities of color, and resilience"
- Protégé** for Significant Opportunities in Atmospheric Research & Science (SOARS). *Boulder, CO* 2010-2013
- "Whose greenspace is it anyways? A community geography case study of Beecher Hills Lionel Hampton Nature Preserve in SW Atlanta"; PI: Timothy Hawthorne (Georgia State University Community-Soil-Air-Water Internship). *Atlanta, GA*
 - "Ethnobotanical Conversations Along the Bayou: An exercise in PAR blending TEK and GIS to identify vulnerable plant species valued by Southern Louisiana's coastal Native American tribes"; PIs: Kristina Peterson and Shirley Laska (University of New Orleans Center for Hazards Assessment, Response & Technology in collaboration with UCAR and Colorado State University CMMAP). *Isle de Jean Charles, LA*
 - "A modeling study on ozone formation in the upper troposphere in relation to thunderstorms through WRF-Chem data analysis"; PI: Mary Barth (University Corporation for Atmospheric Research). *Boulder, CO*
- Principal Investigator** for Spelman Anthropology/Political Science Seminar Study. *Atlanta, GA* 2010
- "Brownfields along the Beltline: Community Perspectives and Site Case Studies"
 - Instructors: Jerry Wever (Anthropology), Fatemeh Shafiei (Political Science) and Shirley Franklin (Former ATL Mayor)
- Research Assistant** for Spelman Environmental Science & Studies Program Study. *Lumpkin, GA* 2008-2009
- "A GIS and Feature Analyst Procedure to Assess Erosion Potential at Providence Canyon Park"
 - PI: Terezinha Cassia de Brito Galvao (Spelman)
